Careers & Employability Module

Welcome to the Careers & Employability Module

This module has been created by the Careers & Employability Service drawing on content from [You're Hired! Graduate Career Handbook](#) by Tristram Hooley & Korin Grant and incorporating material developed by our Careers Consultants.

It is divided into 3 sections: EXPLORE, PLAN, APPLY which you can work through at your own pace. You may choose to work through the entire module or only work through sections, and topics, that are most relevant to the stage you are at.

If you have any questions, or feedback, don't hesitate to contact us via yourcareer@strath.ac.uk.
